The **Halton Suicide Prevention Coalition** (HSPC) is a collaborative of individuals and organizations in the Halton communities of Burlington, Oakville, Milton and Halton Hills.

We work together to provide leadership, advocacy and education in the areas of suicide awareness, suicide prevention, suicide intervention and suicide postvention.

Prevent Suicide

Ways to Make Your Home Safer

Reducing suicides by making changes at home

Restricting access to means of suicide gives individuals contemplating suicide time to reconsider

You can create a safer home environment by paying attention to the following in your home

Medications Ensure that all medications, both prescription and over the counter is secured.

Chemicals Remove and lock-up harmful poisonous chemicals.

Alcohol and drugs Judgement and impulse control are impaired by alcohol and drugs. A number of suicide attempts occur while under the influence of drugs and alcohol.

Listen Listening to a loved ones' feelings without judgement or dismissal is supportive.

Keep Crisis Centre Hotlines Handy Keep a list of crisis services handy. This brochure lists some resources. The vulnerable person may wish to contact them and this may be a good resource for your own questions.

Car Keys Restrict access to vehicle keys in case someone leaves or starts the vehicle without your knowledge.

Firearms Remove or lock firearms and ammunition. It is illegal not to lock firearms and ammunition.

Detectors Install smoke and carbon monoxide detectors

Self-harm Means Put away sharp objects, cords, ropes, knives etc.

REDUCE SUICIDES BY CREATING A SAFER HOME

Follow these practices to keep your loved ones safe.
